Expulsion of members

- 9. (1)** Subject to division 4 of part 6 of the Act, a member may be expelled from the cooperative by special resolution to the effect—
- (a) that the member has failed to discharge the member's obligations to the cooperative, whether under these rules or a contract; or
 - (b) that the member has acted in a way that has—
 - (i) prevented or hindered the cooperative in carrying out its primary activity or one or more of its primary activities; or
 - (ii) brought the cooperative into disrepute; or
 - (iii) been contrary to one or more cooperative principles, as described in section 7 of the Act, and in so acting has caused the cooperative harm.
- (2)** Written notice of the proposed resolution must be given to the member at least 28 days before the date of the meeting at which the special resolution is to be moved, and the member must be given a reasonable opportunity of being heard at the meeting.
- (3)** If a general meeting is to be called under this section the following procedures apply—
- (a) at the meeting, the member must be afforded a full opportunity to be heard, to call witnesses and to cross examine witnesses called against the member;
 - (b) if the member fails to attend at the time and place mentioned, without reasonable excuse, the act must be considered and the cooperative may decide on the evidence before it, in spite of the absence of the member;
 - (c) once the act is considered, the cooperative may decide to expel the member who committed the act;
 - (d) the cooperative must not make a decision on the act or on expulsion other than by vote by secret ballot of the members present and entitled to vote. A motion for the decision is not taken to be passed, unless two-thirds of the members present and entitled to vote, vote in favour of the motion.

(4) If a member is expelled from the cooperative all moneys owing by the member to the cooperative are immediately payable in full.

(5) The shares of a member expelled must be cancelled as at the day of expulsion and the cancellation must be noted in the register of shares unless there are specific written terms to the contrary for a class of share issued.

(6) Subject to subsection (7) and the written terms of a class of share issued, the cooperative must, however, pay to the expelled member the amount of capital paid up on the member's shares at the time of expulsion (less any amount owing by the member to the cooperative).

(7) For this section—

“deficiency” means the amount of accumulated loss or deficiency disclosed in the last balance sheet of the cooperative. If a deficiency exists an appropriate proportion of the loss or deficiency must be deducted from the amount of capital paid up on the shares of the expelled member. This is done having regard to the number of shares in relation to the number of shares in the cooperative.

(8) The amount payable to the expelled member must be dealt with and repaid under section 76 of the Act.

(9) An expelled member must not be re-admitted as a member unless the re-admission is approved by special resolution. A member re-admitted must not have restored to him or her any shares on his or her expulsion. [s 76]

Suspension of members

10.(1) The cooperative may, in general meeting, suspend members, by special resolution, for not more than 1 year, who do any of the following acts—

- (a) contravene any of these rules (other than by-laws);
- (b) fail to discharge obligations to the cooperative, whether under these rules or a contract; or
- (c) act detrimentally to the interests of the cooperative.

(2) If in the opinion of the board, a member does an act mentioned in subsection (1), the board may call a special general meeting, if required, within 28 days of the occurrence of the act to consider it.

(3) If a general meeting is to be called under this section the procedure in section 9(3) applies and all references to expulsion in section 9(3) are taken to be references to suspension.

Disputes

11.(1) If there is a dispute or grievance existing between members, a member or members and the cooperative (the **“parties involved”**)—

- (a) all parties must meet to discuss and if possible, resolve the dispute or grievance within 14 days of the dispute or grievance arising to the knowledge of all involved, or a party giving notice to the other party's involved of the dispute or grievance, whichever is the earlier; and
- (b) if the matter is not resolved under the procedure in paragraph (a) then, within 10 days of the meeting required in that paragraph taking place, a further meeting must be held by all

parties involved in the presence of a mutually agreed referee. In the absence of agreement as to a referee, the meeting must be held in the presence of a referee, whether a member of the cooperative or otherwise, appointed by the board of the cooperative.

(2) The referee can not make a decision binding on the parties but must conciliate and mediate.

(3) If the matter is not settled under subsection (1)(b) then all parties must agree to seek resolution within 10 days by the assistance and with the mediation of the Alternative Dispute Resolution Division of Queensland, Department of Justice.

(4) If there is an entitlement to expel a member under the Act, rules, regulations or contract the grievance procedure shall not apply unless the members, by special resolution vote for that procedure to apply, or vote for it to apply whilst reserving the right to vote on expulsion if the matter is not resolved by the grievance procedure.

(5) For subsection (1)—

“members” does not include independent directors, non-member employees or non-member officers. [s 82]

Fines payable by members

12.(1) The board may impose on a member a maximum fine of \$100.00 for a contravention of the rules.

(2) A fine must not be imposed on a member under subsection (1) unless—

- (a) written notice of intention to impose the fine and the reason for it has been given to the member; and
- (b) the member has been given a reasonable opportunity to appear before the board in person (with or without witnesses), or to send to the board a written statement, for showing cause why the fine should not be imposed.

Capital and shares

13.(1) The capital of the cooperative must be raised by the issue of shares of nominal value of \$1.00 each. [s 144(2)]

(2) No member may hold more than 20% of the nominal value of issued share capital of the cooperative other than under section 273 of the Act.

(3) The capital must vary in amount according to the nominal value of shares from time to time subscribed.

(4) No share is to be allotted (other than a bonus share) unless at least 10% of the nominal value of the share has been paid. A share can not be issued at a discount.

(5) The board may require a member to take up or subscribe for additional shares under a proposal approved of by the members by special resolution under section 149 of the Act.

(6) Bonus shares may be issued by the cooperative under sections 150 and 266 of the Act.

(7) Shares of the cooperative must not be quoted for sale or purchase at any stock exchange or in any other public way (within the meaning of

the *Income Tax Assessment Act 1936* (Cwlth)).

(8) Under section 260 of the Act, the cooperative is authorised to require members to lend money to the cooperative, under a proposal approved by special resolution of the cooperative.

Liability of members to cooperatives

14.(1) A member is, under section 70 of the Act, liable to the cooperative for the amount, if any, unpaid on the shares held by the member, together with any charges, including entry and periodic fees, payable by the member to the cooperative as required by these rules.

(2) On the death of a member, the member's estate is subject to the same liability as the member would have been until the member's personal representative or some other person is registered in the member's place. [s 66(2)]

(3) The joint holders of a share are jointly and severally liable for any amount unpaid on shares and to any such charges mentioned in subsection (1).

Calls on shares

15.(1) The board may from time to time make calls on the members for amounts unpaid on the shares of the members (whether on the nominal value of the shares or by way of premium) and not by the terms of issue of those shares made payable at fixed times, but no call must be more than one-quarter of the nominal value of the share or be payable at less than 1 month after the day fixed for the payment of the last call.

(2) Each member must, on receiving at least 14 days' notice of the time and place of payment, pay to the cooperative at the time or times and place fixed the amount called on the shares.

(3) The directors may revoke or postpone a call.

(4) A call is taken to have been made at the time when the resolution of the directors authorising the call was passed and may be required to be paid by instalment.

(5) The joint holders of a share are jointly and severally liable to pay all calls for the share.

(6) If an amount called for a share is not paid before or on the day appointed for payment of the amount, the person from whom the amount is due must pay interest on the amount from the day appointed for the payment of the amount to the time of actual payment at the rate not more than 8% per annum the directors decide, but the directors may waive payment of all or part of the interest.

(7) An amount that, by the terms of issue of a share, becomes payable on allotment or at a fixed date, whether on account of the nominal value of the share or by way of premium, is for these rules taken to be a call made and payable on the day that under the terms of issue the amount becomes payable, and, on non-payment, all the relevant provisions of these rules as to payment of interest and expenses, forfeiture or otherwise apply as if the amount had become payable because of a call duly made and notified.

(8) The board may, with respect to the issue of shares, differentiate between the holders as to the amount of calls to be paid and the times of payment.

(9) The board may accept from a member all or part of the money uncalled and unpaid on any shares held by that member.

(10) The board may authorise payment by the cooperative of interest on all or part of an amount so accepted, until the amount becomes payable at a rate agreed as between the board and the member paying the sum, with the rate not more than 8%, or a rate not more than any amount fixed by the cooperative by special resolution.

Certificate of shares

16.(1) Every person whose name is entered as a member in the register of members must be given, after application by the member, and without payment, a certificate under the seal of the cooperative specifying the shares held by him or her and the amount paid up on those shares.

(2) However, if shares are held jointly by several persons the cooperative is not bound to issue more than 1 certificate, and delivery of a certificate to one of the joint holders is enough delivery to all.

(3) If a share certificate or certificate of shares is defaced, lost or destroyed a duplicate may be issued by the cooperative on payment of a fee, not more than \$20.00 and on the terms as to evidence and indemnity as the board considers appropriate.

Sale of members' shares

17.(1) A member's share may be sold by the cooperative at the request of the member if the share has not been purchased by the cooperative or forfeited by the member under the Act. [ss 67, 166, 170, 172]

(2) Subject to section 170 of the Act the cooperative may—

- (a) purchase any share of a member at the request of the member; and
- (b) repay to a member, with the member's consent, all or part of the amount paid up on a share held by the member when the sum repaid is not required for the activities of the cooperative.

(3) The cooperative must cancel a share purchased or repaid in full by the cooperative.

(4) If, in the opinion of the board, payment of the repurchase price would adversely affect the financial position of the cooperative, the board may exercise any of the following options instead of paying the sum to the member— [s 171]

- (a) for a deposit-taking cooperative apply the amount as an interest bearing deposit by the member with the cooperative;
- (b) allot or issue debentures or subordinated debt of the cooperative to the member in satisfaction of the amount.

(5) A deposit or debenture issued under subsection (4)—

- (a) bears interest during any period as decided under section 171 of the Act; and
- (b) must be repaid to the member as soon as repayment would not, in the opinion of the board, adversely affect the financial position of the cooperative, and in any case, within 10 years.

Transfer and transmission of shares

18.(1) The instrument of transfer of any share must be executed by or on behalf of the transferor (the giver) and the transferee (the receiver).

(2) The transferor is taken to remain the holder of the share until the name of the transferee is entered in the register of members. [s 169]

(3) Shares must be transferred in the following form or in a form approved by the board—

I, A.B. (the transferor) of in the State of in consideration of the sum of \$... paid to me by C.D. (the transferee), of in the State of transfer to the transferee the share (or shares) numbered in the (name of cooperative) to hold for the transferee, the transferee’s executors, administrators, and assigns, subject to the several conditions on which I hold the same at the time of the execution.

(4) A share may not be sold or transferred except—

(a) with the consent of the board, and to a person who is qualified to be admitted to membership of the cooperative under sections 5 and 6; or

(b) as otherwise provided by these rules or the Act. [s 166(1)(c)]

(5) The board may decline to register any transfer of shares to a person not qualified to be a member or of whom they do not approve. The board may also decline to register any transfer of shares on which the cooperative has a lien or charge. If the board refuses to register a transfer of shares it shall send notice of the refusal to the transferee within 2 weeks after the date on which the board declined to register the transfer.

(6) The board of the cooperative shall not consent to the sale or transfer of shares which would result in excess of the nominal value of shares permitted under section 273 to be held by a member.

(7) The board may decline to recognise any instrument of transfer unless—

(a) a fee of \$20.00 (or such lesser sum as may be decided by the board from time to time) is paid to the cooperative for the transfer; and

(b) the instrument of transfer is accompanied by the certificate (if any) of the shares to which it relates, and such other evidence as the board may reasonably require to show the right of the transferor to make the transfer.

(8) The board shall maintain a record of all transfers made in the proper books of the cooperative.

- (9) The board may suspend the registration of transfers during the 14 days immediately preceding the annual general meeting in each year.

Effect of sale, transfer or disposal of shares

19. A member who has sold or transferred, or disposed of the beneficial interest in, that member's shares, or has agreed to do any of those things, can not vote at any meeting of the cooperative.

Forfeiture and cancellations—inactive members

20.(1) The board shall, after giving notice under section 130 of the Act, declare the membership of a member who was a member for the period stated cancelled if— [s 125]

- (a) the whereabouts of the member are not presently known to the cooperative and have not been known to the cooperative for a continuous period of at least ... years (up to a maximum of 3 years, section 125 of the Act) before that date; or
- (b) the member is not presently an active member and has not been an active member at any time during the past three (3) years (up to a maximum of 3 years, section 125 of the Act) immediately before that time.

(2) The board is to declare the shares of a member forfeited at the same time as the membership is cancelled and the amounts payable for the cancellation and forfeiture must be dealt with and repaid under section 132 of the Act.

(3) The cooperative must, in the approved form, keep a register of memberships cancelled under subsection (1), which shall specify the particulars in schedule 2 of the regulation.

(4) A member may cease his or her membership by service of written notice to the secretary of the member's resignation from membership and the amounts due in respect of member's share are to be repaid to the member in a way adopted for repayment for forfeited shares under section 132 of the Act.

Forfeiture of shares

21.(1) If a member fails to pay a call or instalment of a call by the day appointed for payment, the board may, at any time any part of the call or instalment remains unpaid, serve a notice on the member requiring payment of so much of the call or instalment as is unpaid, together with any interest which may have accrued.

(2) The notice must name a further day (not earlier than 14 days after the date of the notice) on or before which the payment required by the notice is to be made and must state that, in the event of non-payment at or before the time appointed, the shares for which the call was made will be liable to be forfeited.

(3) If the requirements of the notice served under this section are not complied with, any share in respect of which the notice has been given, may at any time (but before the payment required by the notice has been made), be forfeited by a resolution of the board.

(4) Such a forfeiture must include all dividends declared for the forfeited shares and not actually paid before forfeiture.

Forfeited shares

22.(1) A person whose shares have been forfeited under these rules stops being a member if membership is conditional on the holding of the shares or membership has otherwise been cancelled under the Act. The person remains liable to pay to the cooperative all amounts which (as at the date of forfeiture) were payable by him or her to the cooperative for the shares. (This is apart from calls in default.)

(2) A statutory declaration in writing by a director of the cooperative stating that a share in the cooperative has been forfeited on a date stated in the declaration, is conclusive evidence of that fact as against all persons claiming to be entitled to the share. [s 75]

(3) The cooperative, under section 26, has a charge on the paid up amounts of the forfeited shares and may appropriate those amounts under section 26(2).

Forfeiture for non-payment of subscription

23.(1) The shares of a member whose periodic fee (subscription) under section 7 has not been paid may be forfeited by resolution of the board.

(2) Written notice of the proposed forfeiture must be given to the member at least 14 days before the date of the board meeting at which the resolution for forfeiture of the shares is to be moved and the member must be given an opportunity of being heard at the meeting.

(3) Section 22 applies to the forfeiture.

(4) Subject to section 132 of the Act and subsection (5) payment to the member of any amount due under this section must be made at the time decided by the board, but within 1 year from the date of forfeiture.

(5) Instead of payment of an amount due to a member whose membership is cancelled, subject to section 132 of the Act, the amount due may be applied as a deposit if the cooperative takes deposits, or the cooperative may allot or issue debentures in satisfaction of the amount, or if the member consents in writing the amount may be appropriated as a donation.

Death of member

24.(1) Subject to section 167(1) of the Act the board must transfer the deceased member's share or interest in the cooperative to—

(a) the personal representative of the deceased, that is, an executor or administrator of the estate of a deceased member;
or

(b) to such person the deceased's personal representative may specify, in an application made to the cooperative within 3 months after the death of the member.

(2) The board may approve the transfer of a share to a person other than the executor or administrator and in considering whether to approve the transfer the board must consider whether—

(a) there are reasonable grounds for believing the proposed transferee will be an active member of the cooperative; and

(b) the proposed transferee is qualified to be a member of the cooperative under these rules; and

- (c) the transfer would increase the proposed transferee's holding in the cooperative beyond that allowed by the Act or these rules. [ss 78(b), 166 & 167]

(3) If the total value of the deceased member's share in the cooperative is less than \$10 000 or such other amount prescribed in the regulation the board may transfer the share under section 79 of the Act if there has not been a grant of letter of administration or of probate of the deceased's will. [s 79]

(4) In accordance with section 80 of the Act, the board must decide the value of the shares and interest of a deceased member as the amount paid up on the shares together with any other amounts due to the deceased member less any amounts owing to the cooperative by the deceased member. If the shares are forfeited the amounts due for the forfeiture must be dealt with and repaid within 1 year.

Dealings of members with cooperatives

25.(1) The cooperative may, under section 73 of the Act, make a contract with a member requiring the member to have specified dealings with the cooperative for a fixed period.

(2) The contract may require a member—

- (a) to sell products through or to the cooperative; or
- (b) to obtain supplies or services through or from the cooperative; or
- (c) to pay to the cooperative specified amounts as liquidated damages for a failure to comply with a requirement authorised by this section.

(3) The sum, if any, specified as liquidated damages is to be considered as a debt due to the cooperative and in respect of such debt, the cooperative has, under section 75 of the Act, a charge on each of the following—

- (a) the share or interest in the capital and the credit balance and deposits of the member or past member;
- (b) any dividend, interest, bonus or rebate payable to the member or past member;
- (c) any entry and periodic fees required to be repaid to a member when the member ceases to be a member.

(4) The charge created under section 75 of the Act shall be enforced under that section and section 26.

Charges on shares

26.(1) The cooperative must, as provided in section 75 of the Act, have a charge on the share or interest in the capital, and on the credit balance and deposits of a member or past member, and on any dividend, interest, bonus or rebate payable to a member or past member, in respect of any debt due from the member or past member to the cooperative. The cooperative may also set off any amount paid on account of that share or otherwise or any amount credited or payable to such member or past member in or towards payment of the debt.

(2) The charge may be enforced at any time after 7 days notice to the member or past member, via the appropriation by the cooperative of the

capital, interest or deposit subject to the charge. Any share for which capital has been appropriated must be cancelled.

(3) The cooperative may sell in the way the directors consider appropriate all or any shares on which the cooperative has a charge. However, no sale can be made unless an amount for which the charge exists is payable at the date of the sale. Also no sale can be made until the end of 14 days after a written notice (stating, and demanding payment of, the part of the amount for which the charge exists as is payable at the day the notice is given) has been given to the registered holder of the share or the person entitled to it because of death or bankruptcy. The notice must indicate that on failure to make payment of the sum demanded within the time stipulated the shares will be sold by the board.

(4) If the highest offer received by the board is less than the amount paid up on shares to be sold, the board must, before accepting the offer, notify the member of the receipt of the offer and the amount of the offer, and of the board's intention to accept the offer at the end of 14 days, if no payment is made before then to the cooperative of all amounts for which the charge exists.

(5) From the proceeds of any such sale the cooperative may deduct the expenses, if any, associated with the sale and may apply the balance to reduce the liability of the member.

(6) However, if a surplus remains after such deduction the surplus is payable to the member whose shares were sold.

(7) For giving effect to a sale the board may authorise a person to transfer the share sold to the purchaser of them.

Registration of official trustee in bankruptcy

27.(1) If a member is declared bankrupt, the Official Trustee in Bankruptcy may be registered as the holder of the share held by the bankrupt member. [s 162(1)]

(2) The board may register the Official Trustee in Bankruptcy as the holder of a share in which a bankrupt member has an entitlement in equity, with the consent of the holder of the share. [s 162(2)]

Registration as administrator of estate on incapacity of member

28. A person appointed under a law of a State to administer the estate of a member who, through mental or physical infirmity is incapable of managing his or her affairs, may be registered as the holder of that member's share. [ss 161 and 166]

Entitlements and liabilities of person registered as trustee, administrator etc

29.(1) A person becoming entitled to be a shareholder because of the death, bankruptcy or the incapacity of the holder is entitled to the dividends and other advantages to which the person would be entitled if he or she were the registered holder of the share or shares.

(2) However, before being registered as a member, the person is not entitled to exercise a right conferred by membership in relation to meetings of the cooperative.

(3) A person registered under section 24, 27 or 28 is, while so

registered, subject to the same liabilities in relation to the share or shares as those to which the dead person, incapable person or the bankrupt person would have been liable if he or she had remained a member with full legal capacity.

(4) The board has the same right to decline or to suspend registration of a share as it would have had for a transfer of a share by the bankrupt or incapacitated person before the bankruptcy or incapacity.

Transfer and transmission of debentures

30.(1) On the written request of the transferor (the “giver”) of a debenture, the cooperative must enter in the appropriate register the name of the transferee (the “receiver”) in the same way and subject to the same conditions as if the application for entry were made by the transferee.

(2) If the cooperative refuses to register a transfer of debentures it must, within 28 days after the day the transfer was lodged with it, send to the transferee notice of the refusal.

(3) An instrument of transfer of a debenture must be executed by or on behalf of the transferor and the transferee.

(4) The transferor is taken to remain the holder of the debenture until the debenture in the name of the transferee is entered in the register of debentures.

(5) The board may decline to recognise any instrument of debenture and may decline to register any debenture unless—

- (a) a fee of \$20.00 (or such lesser sum as may be decided by the board from time to time) is paid to the cooperative for the transfer registration; and
- (b) the instrument of transfer is accompanied by the relevant debenture/s and other evidence as the board may reasonably require, in particular evidence that shows the right of the transferor to make the transfer; and
- (c) any government stamp duty payable is paid.

(6) Debentures must be transferred in the following form or in a form approved by the board—

I, A.B. (the transferor) of in the State of in consideration of the sum of \$... paid to me by C.D. (the transferee), of in the State of transfer to the transferee the debenture (or debentures) numbered to be held by the transferee, the transferee’s executors, administrators, and assigns, subject to any conditions on which I hold the debenture/s and subject to any other conditions being terms of the transfer of the debenture/s.

Annual general meetings

31.(1) An annual general meeting must, under section 198 of the Act, be held each year at a place and on a date and a time decided by the board, within 5 months after the close of the financial year of the cooperative or the further time allowed by the registrar or prescribed by regulation. [s 198]

(2) All general meetings of the cooperative other than the annual general meeting are special general meetings.

(3) If an annual general meeting is not held under subsection (1), the members may, under section 203 of the Act and section 32 of these rules, requisition such a meeting.

Special general meetings

32.(1) The board may, whenever it considers appropriate, call a special general meeting of the cooperative.

(2) The board must call a general meeting of the cooperative on the requisition in writing by any active members who together are able to cast at least 20% of the total number of votes able to be cast at a meeting of the cooperative.

(3) The requisition must—

- (a) state the objects of the meeting; and
- (b) be signed by the requisitioning members (and may consist of several documents in like form each signed by 1 or more of the requisitioning members); and
- (c) be served on the cooperative by being lodged at the registered office of the cooperative.

(4) A meeting requisitioned by members under these rules must be called within 21 days with the meeting being fixed to be held as soon as practicable and held within 2 months after the requisition is served.

(5) If the board does not call a meeting 21 days after the requisition is served, the following provisions apply—

- (a) the requisitioning members (or any of them representing at least half their aggregate voting rights) may call the meeting in the same way as nearly as possible as meetings are called by the board;
- (b) for that purpose they may require the cooperative to supply a written statement of the names and addresses of the persons entitled when the requisition was served to receive notice of general meetings of the cooperative;
- (c) the board must send the statement to the requisitioning members within 7 days after the request for the statement is made;
- (d) the meeting called by the requisitioning members must be held within 3 months after the requisition is served;
- (e) any reasonable expenses incurred by the requisitioning members because of the board's failure to call the meeting must be paid by the cooperative;
- (f) any amount required to be paid by the cooperative is to be retained by the cooperative out of any money due from the

cooperative by way of fees or other remuneration for their services to such of the directors as were in default. [s 203]

Notice of general meetings

33.(1) At least 14 days notice (not including the day on which the notice is served or taken to be served, but including the day for which notice is given) must be given of a general meeting in the way stipulated in section 69.

(2) Notice must be given to the persons who are, under these rules entitled to receive notices from the cooperative, but the non-receipt of the notice by any member does not invalidate proceedings at a general meeting.

(3) The notice must specify the place, the day, and the hour of the meeting and, for special business, the general nature of that business.

(4) For a special resolution, notice must be given at least 21 days before the meeting. [s 186]

(5) Any member who has a resolution to submit to a general meeting must give written notice of it to the cooperative at least 28 days before the date of the meeting.

(6) The board must have inserted in any notice calling a general meeting any business a member has notified, before the notice calling the meeting is issued, his or her intention to move at the meeting (and the notification has been made under these rules).

Business of general meetings

34.(1) The ordinary business of the annual general meeting is—

- (a) to confirm minutes of the last general meeting (whether annual or special); and
- (b) to receive from the board, auditors, or any officers of the cooperative reports on the transactions of the cooperative during the financial year, including balance sheet, profit and loss account and the state of affairs at the end of that year; and
- (c) to decide the rates of dividend, bonus and rebate; and
- (d) to elect and decide the remuneration of directors.

(2) The annual general meeting may also transact special business of which notice has been given to members under these rules.

(3) All business of a general meeting, other than business of the annual general meeting that is by this section termed ordinary business, is special business.

Quorum at general meetings

35.(1) No item of business may be transacted at a general meeting unless a quorum of members is present when the meeting is considering the item. [s 201]

(2) Unless these rules otherwise provide six (6) active members present in person, each being entitled to exercise a vote, constitute a quorum. [s 201]

(3) If within half an hour after the appointed time for the meeting a quorum is not present, the meeting, if called on the requisition of members, must be dissolved. In any other case it must be adjourned to the same day in the next week at the same time and place. If at the

adjourned meeting a quorum is not present within half an hour after the time appointed for the meeting the members present constitute a quorum.

Chairperson at general meetings

36.(1) The chairperson, if any, of the board shall preside as chairperson at every general meeting of the cooperative.

(2) If there is no chairperson, or if at a meeting he or she is either not present within 15 minutes after the time appointed for holding the meeting or is unwilling to act as chairperson, then the members present shall choose someone from their number to be chairperson (until the chairperson attends and is willing to act).

(3) The chairperson may, with the consent of a meeting at which a quorum is present (and must if directed by the meeting) adjourn the meeting from time to time and from place to place.

(4) However, the only business that can be transacted at an adjourned meeting is the business left unfinished at the meeting from which the adjournment took place.

(5) When a meeting is adjourned for 14 days or more, notice of the adjourned meeting must be given just as for the original meeting. Apart from this it is not necessary to give notice of an adjournment or of the business to be transacted at an adjourned meeting.

Standing orders at general meetings

37. The following standing orders must be observed at the cooperative's meetings, subject to any suspension of, amendment of, or addition to, these orders adopted for the meeting by the members present at a meeting—

- (a) the mover of a proposition must not speak for more than 10 minutes, subsequent speakers are allowed 5 minutes, and the mover of the proposition 5 minutes to reply. The meeting may however by simple majority extend in a particular instance the time permitted by this section;
- (b) whenever an amendment to an original proposition is proposed, no second amendment may be considered until the first amendment is disposed of;
- (c) if an amendment is carried, the proposition as amended displaces the original proposition and may itself be amended;
- (d) if an amendment is defeated, a further amendment may be moved to the original proposition. However, only 1 amendment may be submitted to the meeting for discussion at a time;
- (e) the mover of every original proposition, but not of an amendment, has the right to reply. Immediately after this the question must be put from the chair. No other member may speak more than once on the same question, unless permission is given for an explanation, or if the attention of the chairperson is called to a point of order;
- (f) propositions and amendments must be submitted in writing, if asked by the chairperson;

- (g) any discussion may be closed by a resolution 'that the question be now put' being moved seconded and carried. The resolution must be put to the meeting without debate;
- (h) any member, or visitor invited to attend the meeting by the board, may speak on any issue at a meeting with the permission of the chairperson provided that the permission may be conditional;
- (i) standing orders may be suspended for any period by ordinary resolution.

Attendance and voting at general meetings

38.(1) At any meeting of the cooperative a member who has been given notice that the members shares are required to be forfeited under the active membership provisions of the Act can not attend.

(2) A member of the cooperative can not vote at a meeting of the cooperative unless the person is an active member of the cooperative.

(3) At any general meeting a resolution put to the vote of the meeting must (as provided in section 202 of the Act) be decided on a show of hands. This is unless a poll is (before or on the declaration of the result of the show of hands) demanded by at least 5 members. If no poll is demanded, a declaration by the chairperson that a resolution has, on a show of hands, been carried or carried unanimously, or by a particular majority, or lost, and an entry to that effect in the book of the proceedings of the cooperative is evidence of the fact. No proof is needed of the number or proportion of the votes recorded in favour of, or against, that resolution. [s 202]

(4) On a show of hands or on a poll, every representative of a corporation, under section 64 of the Act, or every member (not under the age of 18), who is present at a meeting in person or represented by proxy or attorney, subject to subsection (5), has 1 vote. However, no member may vote, or be entitled or eligible to vote, contrary to the Act.

(5) If the votes are equal, whether on a show of hands or on a poll, the chairperson of the meeting at which the show of hands takes place, or at which the poll is demanded, has a second or casting vote.

(6) All resolutions, except special resolutions, shall be decided by a simple majority.

(7) For joint membership, the joint members have 1 vote only between them.

(8) In the event of a dispute between joint members as to which member may exercise the vote (subject to any proxy or power of attorney), the joint member whose name appears first in the register of members must be the one to exercise the vote.

(9) A member's right to vote is a personal right, it is a right to 1 vote (subject to subsection (5)) and is not attached to, or conferred by, any share held by the member in the cooperative. [s 174]

Proxy votes

39.(1) The instrument appointing a proxy must be by signed writing of the appointer or of the appointer's attorney duly authorised in writing.

(2) An instrument appointing a proxy may state the way in which the proxy is to vote in relation to a particular resolution and, if an instrument of proxy so provides, the proxy can not vote on the resolution other than as stated in the instrument.

(3) No person can act as a proxy unless the person is an active member of the cooperative.

(4) No person can act as proxy for more than 10 members, unless the proxy acts under an instrument of proxy mentioned in subsection (2).

(5) An instrument appointing a proxy may be in the following form, or any other form which the board approves—

..... 20... and at any adjournment of that meeting.

#This form is to be used *in favour/*against the resolution.

Signed this day of 20...

*Strike out whichever is not applicable.

#To be inserted if desired

(6) An instrument appointing a proxy must not be treated as valid until the instrument, and the power of attorney or other authority (if any) under which the instrument is signed, or a notarially certified copy of the power or authority, is or are deposited, at least 48 hours before the time for holding the meeting or adjourned meeting at which the person named in the instrument proposes to vote, or, for a poll, at least 24 hours before the time appointed for the taking of the poll, at the registered office of the cooperative or at such other place as is specified for the purpose in the notice calling the meeting.

(7) A vote given under the terms of an instrument of proxy or of a power of attorney is valid despite the previous death or unsoundness of mind of the principal, the revocation of the instrument (or of the authority under which the instrument was executed) or the power, if no intimation in writing of the death, unsoundness of mind or revocation has been received by the cooperative at the registered office before the start of the meeting or adjourned meeting at which the instrument is used or the power is exercised.

Restriction on voting entitlement under power of attorney

40. A person can not exercise a member’s right to vote under a power of attorney, if that person has a power of attorney to vote in respect of another member.

(6) The board must cause the details of the proposal on which the ballot is to be held to be set in a statement and fix the dates for the forwarding of ballots to members and closing the ballot.

(7) Every ballot must be conducted by the returning officer who must be appointed by the board. In default of an appointment being made in enough time to allow the procedure in this section to be followed, the secretary, or in absence of the secretary the person acting in the capacity of secretary, is the returning officer.

(8) Any person, with the exception of a director of the cooperative, may be appointed by the board to act as returning officer.

(10) The returning officer must prepare a roll of the full names and addresses of the members of the cooperative as disclosed by the register of members and shares together with particulars of the number of votes each member would be entitled to exercise on a poll.

- (a) 1 ballot paper;
- (b) an unsealed envelope (the “**outer envelope**”) addressed to the returning officer;
- (c) a smaller envelope (the “**middle envelope**”) into which the voter must enclose the envelope containing the ballot paper, the reverse side of which must be printed in or to the following effect—

(14) Every member desiring to vote in the ballot should complete the details on the reverse side of the middle envelope and after marking their vote on the ballot paper according to the instructions on the ballot paper, seal the ballot paper in the inner envelope. The inner envelope containing the ballot paper should then be placed in the middle envelope and the middle envelope placed in the outer envelope addressed to the returning officer. The outer envelope should then be posted or personally delivered to the returning officer by noon on the day fixed for closing the ballot.

(15) The returning officer must provide a ballot box.

(16) The ballot box must be locked immediately before the ballot papers are delivered under subsection (13) and remain locked until the close of the ballot.

(17) The returning officer must place the outer envelopes containing the ballot papers in the ballot box by noon on the day fixed for closing the ballot.

(18) Upon a member making and transmitting to the returning officer a declaration that the member has not received the ballot paper, or that the ballot papers received by the member have been lost, spoilt or destroyed, and that the member has not already voted, the returning officer may issue a duplicate set of the material required under subsection (13), having endorsed any duplicate outer envelope with the word ‘duplicate’.

(19) Any member who makes a declaration under this subsection, which is false, in any particular material, contravenes these rules.

(20) Ballot papers received after noon on the day fixed for closing the ballot must not be taken into account at the ballot.

- (f) extract or cause to be extracted the inner envelopes containing the ballot papers from all unrejected middle envelopes, separating the contents from the middle envelopes in such a way that no inner envelope could subsequently be identified with a particular voter; and
- (g) when all the middle envelopes have been dealt with, in the above way, cause all the inner envelopes not rejected to be opened and the ballot papers to be taken from them.

(23) The ballot papers must be scrutinised by the returning officer who should supervise and reject as informal a ballot paper that—

- (a) is not duly initialled by the returning officer; or
- (b) is so imperfectly marked that the intention of the voter cannot be ascertained by the returning officer; or
- (c) has any mark or writing not authorised by this section which, in the opinion of the returning officer will enable any persons to identify the voter; or
- (d) has not been marked as prescribed on the ballot paper itself.

(24) The decision of the returning officer as to the formality of any ballot paper is final and is not open to appeal.

(25) The returning officer must count votes cast and make out and sign a statement of—

- (a) the number of formal votes cast in favour of the proposal; and
- (b) the number of formal votes cast against the proposal; and
- (c) the number of informal votes cast; and
- (d) the number of inner envelopes marked 'rejected'; and
- (e) the proportion of the formal votes polled which were in the affirmative.

(27) The returning officer must forward the statement to the chairperson of the cooperative who must announce the result of the ballot at the next general meeting.

(28) The proposal which received the required majority of votes must be declared won.

(29) The returning officer must keep all ballot papers (whether formal or otherwise) and rejected outer envelopes and rolls used for the conduct of the ballot, locked in the ballot box until the returning officer has been directed by the board, in writing that they may be destroyed.

(30) Notification of the result of the ballot (other than a ballot conducted to alter these rules) must be displayed on the notice board at the registered office of the cooperative.

(31) For a postal ballot altering the rules, the cooperative must cause the alteration to be notified in writing to its members as soon as practicable after the alteration takes effect and, in any event, not later than the day notice is given to the members of the next annual general meeting of the cooperative, following the taking effect of the alteration.

Poll at general meetings

42.(1) If a poll is duly demanded it must be taken in the way the chairperson directs. Unless the meeting is adjourned the result of the poll is taken to be the resolution of the meeting at which the poll was demanded.

(2) A poll demanded on the election of a chairperson, or on a question of adjournment, must be taken immediately.

Special and ordinary resolutions

43.(1) A special resolution means a resolution of which notice has been given of the intention to propose the resolution as a special resolution and which is passed either by two-thirds of the members who vote in person or by proxy or attorney, at a general meeting, or by a two-thirds majority in a postal ballot, or by three-quarters of the members who cast formal votes in a special postal ballot of members. A special resolution may be passed by postal ballot (including a special postal ballot).

(2) A special resolution has effect from the date it is passed, however a special resolution by special postal ballot has no effect until registered by the registrar. [s 190]

(3) An ordinary resolution is one passed by a simple majority and has effect from the date it is passed.

Board of directors

44.(1) The business and operations of the cooperative are to be managed and controlled by the board of directors, and for that purpose the board has and may exercise the powers of the cooperative as if they had been expressly conferred on the board by a general meeting of the cooperative.

(2) The board must have no fewer than three (3) nor more than six (6) elected directors each of whom must be an individual, whether as a member of the cooperative, or as a representative of a corporation member, and at least 18 years old. The number of elected directors to the board within the range shall be determined by the members in general meeting.

(3) The powers of the board are subject to any restrictions imposed by the Act or by these rules.

Qualifications of directors

45.(1) A person is not qualified to be a director of a cooperative unless the person is—

- (a) a member of the cooperative or a representative of a corporation that is a member of a cooperative; or

(b) an employee of the cooperative or a person qualified under section 46 of these rules to be an independent director.

Independent directors

46.(1) The elected directors may appoint any persons with special skills to be independent directors of the cooperative on the terms and conditions and for the period the directors may decide and set the remuneration and allowances to be paid to the independent directors for services as a director as approved at a general meeting of the cooperative under section 222 of the Act.

(2) Such persons are, subject to this section, directors of the cooperative for the period of their appointment.

(3) The majority of directors must be member directors.

(4) Independent directors appointed under this section must not be counted for section 44.

(5) Other than as provided in this section, an independent director is subject to all other rules relating to directors.

(6) On the termination of his or her appointment as independent director by death, retirement, resignation or in any other way an independent director stops being a director of the cooperative.

(7) An independent director is not entitled to vote at a meeting of directors on a motion about the terms and conditions of his or her own appointment, conditions of service or termination of service but may be permitted by the chairperson of the board to speak in relation to the matters.

(8) Despite any other provisions of these rules no vote may be taken at a meeting of the board of directors unless, at the time of taking the vote, the number of independent directors present is less than the number of other member directors present.

(9) An independent director is not capable of being appointed as chairperson of the board of directors, however, an independent director may be appointed to chair any subcommittee of the board which the board in its discretion might appoint.

(10) Despite the term of appointment which may be fixed under subsection (1), the appointment of an independent director must be ratified by the members of the cooperative at the next general meeting after the appointment of each independent director. Ratification must be by a simple majority of members of the cooperative present and entitled to vote at the meeting.

(11) If the appointment of an independent director is not ratified by the members of the cooperative, any acts performed by the independent director since the date of their appointment is taken to have been validly performed even though the appointment has not been ratified by the members of the cooperative.

(12) Despite the term of appointment, the members of the cooperative may, by special resolution at a general meeting of members, terminate the appointment of an independent director.

(13) An independent director is not required to be an active member of the cooperative.

Managing director

(2) The terms and conditions and the period of appointment must be decided by the directors.

(3) The managing director must not be counted for section 44.
